

**MINUTES OF PARTINGTON PARISH COUNCIL MEETING
HELD ON MONDAY 10th DECEMBER 2018 AT 6.30 PM
AT THE COMMUNITY CENTRE, PARTINGTON**

Present: Councillors W. Edwards, J. Clare, Cllr K. Kanen J. Boyers. A. Rudden,
K. Watson, S. Morton

The Chairman Cllr W Edwards opened the meeting at 6.30pm. He welcomed the Parish Councillors, members of the public; The Chair made a short statement:

In light of information he has recently received, as from today he intends to stay strictly within the constraints of the agenda in the forthcoming meetings. He said that he has always wanted to include the public in the meetings but as information, often incorrect and misquoted, is then being offered to the wider public this is unacceptable.

The Chair declared that the Parish Council will now revert to the strict rules, adopted by all Parish Councils and the public will only be allowed to use the open forum to raise their points in the allotted time, which was stated as two minutes, to the elected body.

No other interjections will be allowed during the meeting once the forum is closed.

The housekeeping rules were then readout, as there were three members of the public in attendance.

1. APOLOGIES FOR ABSENCE: JJ. Comerford P. Hall

IT WAS RESOLVED by all Councillors that apologies received, were reviewed and accepted.

2. OPEN FORUM:

The Chairman Cllr W Edwards addressed the public and asked if the members of the public had anything to ask.

Q. A resident asked why there were no Christmas lights on the lampposts.

A. The resident was informed that TBC no longer fund the Christmas lights that Partington has previously had. Once the funding was stopped, the Parish Council were unable to carry on, as we were not permitted to use the electric sources from the lamp posts. We have helped other groups in Partington to fund Christmas events and will continue to build on this year on year.

The Chair also praised the Christmas lights at the POSH building and thanked Dave for all his hard work in making our community building look amazing.

No other questions were asked and the Open Forum was then closed.

3. DECLARATIONS OF INTEREST:

IT WAS RESOLVED that there were no other declarations of interest by Councillors at this meeting.

6. CHAIRMANS REPORT:

The Chair thanked the Councillors for attending the meeting and then proceeded to update them on events since the last meeting.

- Christmas Light switch on

The Chair thanked all involved in arranging and supporting the Christmas tree light turn on. There was an excellent turn out by the community, but due to the sound issues the choir couldn't be heard. Next year the PC will arrange a switch on off our own and have a raised stage, better PA system and cordoned off areas for public safety.

The Sleigh was excellent and the PC want to offer a huge thank you to Rob and Amanda from Pyjama Fairies for working on the sleigh over the year, this culminated in amazement by the whole community young and old.

- Oak Road Building

The Chair informed the PC that he has had a meeting with a representative of YHG regarding the sale of the Oak Road building and various other issues in the community. The chair did say he was disappointed with how poorly YHG are performing. The YHG rep admitted 'that they have a long way to go and apologised for the lack of correspondence'.

The current tenant of the Oak road building was made aware of the above meeting and also attended. The Chair informed the tenant that the PC does want to offload this asset and moving forward we would be open to offers.

- Senior Christmas Party

The Chair confirmed that the event will take place at Broadoak and will be similar to the 2017 event. Two members of Broadoak staff will take charge and the PC staff will attend and help in any way we can.

- POSH

The Chair has met up with Dave from the POSH building. He was happy to report that the building may have a few minor structural issues that need to be resolved but apart from that the building is in a good condition and Dave is doing an excellent job of looking after the building.

- Broadoak Vocation centre

The Chair is in discussion with Broadoak to make the vocation centre a more community based centre by offering qualifications to post 16 students and other members of the community to help build on or re-gain existing skills.

The Chair thanked all the councillors who are all unpaid volunteers for their hardwork throughout the year. and wished them a very happy Christmas.

13. PRECEPT:

It was mentioned by a few Councillors that they have been approached and informed by residents that the wider community have been told at another Partington meeting, that the PC are raising the precept charge. - The HS2 has been conducting surveys around the Oak Road nature areas.
- The CIWs are collecting an oak tree and time capsule from Manchester airport. They will be dropped off at OLOL school.

The PC members asked Cllr Boyers to extend their congratulations on the achievement.
