Trees will be planted and we will also look at installing a befitting statue in the future. The Planning application will be submitted this month and hopefully relocation work will commence in August.

Q. Cllr Stewart asked if resin would be a suitable material to use and if flowers will be allowed to laid?
A. The Chair explained the pros for using poxy resin and said it has a life expectancy of 80 years. Wreaths will only be laid on Remembrance Day this will not be allowed throughout the year.

Cllr Comerford asked if the drainage is ok? Cllr Watson mentioned that we will have to hire a digger.
